Dear Community Members and Business Owners:

The Bergeson Elementary School Foundation (BESF) is excited to announce it will be holding its annual fundraiser on April 23rd, 2018. As part of this fundraiser, we will be holding a Silent Auction to raise much needed funds to support elementary school education.

BESF is a 501(c)(3) not-for-profit organization, created to supplement the voids created by continual cuts in state budgets which have forced many schools to cut programs, eliminate classes and increase class sizes.

The Foundation spends 100% of its funds on academic programs for the elementary school. In order to combat the continual increase in class size, BESF funds classroom teachers' aides. In addition, it funds the Kindergarten to 3<sup>rd</sup> grade Music Program.

We are contacting you today in hopes that you will support our efforts by donating goods and /or services to our auction. Any items you can provide will be thoroughly appreciated and are tax-deductible.

Please join us in making this a successful fundraiser so that the Foundation can continue to fund music and teacher aides. Help us provide the resources our children deserve.

Thank you in advance for your generous support and for your contribution to the education of our children!

Sincerely,

Bergeson Elementary School Foundation
